

**Ultra Heavy Duty Ratchet Mount  
[Single Axis]**

The UM022AE Ultra Heavy Duty Ratchet Mount with NATO base is a single axis, eight position, 1" 14 thread mount. Made of 2205 grade stainless steel, this mount provides a strength and corrosion resistance that is far superior to the 316 grade stainless steel more commonly found in maritime environments.

As with all of our products, Hascall-Denke's maritime products are designed and built with the best materials in order to provide you with superior performance under the harshest conditions.

**Features**

- Standard 1"-14 thread
